A Flash Of The Old Form!

BY 'NOVA'

Wycombe Wanderers 4,
F.C. Bonn 1

FREE from the cares of league and cup-tie football on Good Friday, Wycombe Wanderers showed flashes of their old exciting form when they entertained the German touring side, F.C. Bonn, at Loakes Park.

Bonn, members of the Middle Rhine League, senior amateur league in Western Germany, held out well in the first half against a relaxed and confident Wycombe. But in the second period

two brilliant goals by Peter Lowen and a second by Tony Horseman's sprightly deputy George Maharg, sent the tired Germans tumbling to defeat in their first game of a three-match tour.

Horseman was unable to play because of a twisted ankle and 20 minutes after the start, Beck had to go off when his injured knee gave trouble again. But their deputies, Pete Sewell and George Maharg, rose to the occasion splendidly.

Maharg scored the first half equaliser after centre-forward Eder had put Bonn in front, and then shot Wycombe ahead two minutes after the interval. This second goal gave the Wycombe forwards the encouragement they needed and, with French working tirelessly, they got well on top, for Lowen to score two more.
